

CURRICULUM VITAE**Dennis Eugene Bullard, M.D.**

Home Address: 4104 Glen Laurel Drive
Raleigh, North Carolina 27612

Home Phone: (919) 881-0804

Date and Place of Birth: June 10, 1950
Parkin, Arkansas

Marital Status: Married

Education: Parkin High School 1967
Attended USC after Junior year of high school in the Summer Honors Program

University of Southern California 1967-1971
Entered USC in the Resident Honors Program after graduating junior year of high school

Summer Honors Program	1967
Resident Honors Program	1967-1968
University Scholar	1967-1969
Nettie Hill Scholar	1970-1971
Sigma Phi Epsilon Scholarship Award	1970-1971
Major: Psychology BA, Cum Laude	

St. Louis University Medical School 1971-1975

Alpha Omega Alpha	1974
Thurston Scholar	1974-1975
Robert Wood Johnson Scholarship	1975
MD, Cum Laude	1975

Internship: General and Thoracic Surgery 1975-1976
Dr. David C. Sabiston
Duke University Medical Center
Durham, North Carolina

Residency: Neurological Surgery

Assistant Resident.....	6/1976-6/1978
Chief Resident.....	6/1980-6/1982
Dr. Guy L. Odom	
Dr. Robert H. Wilkins	
Duke University Medical Center	
Durham, North Carolina	

Residency (Continued)

Medical Neurology6/1979-6/1980
 Professor W. Ian McDonald
 Institute of Neurology
 National Hospitals for Nervous Disease
 Queen Square and Maide Vale
 London, England

Fellowships:

Immunology6/1977-6/1979
 NIH Postdoctoral Fellowship
 Teacher Investigator Award
 Darrell D. Bigner, M.D., PhD
 Duke University Medical Center
 Durham, North Carolina

Neuro-Oncology6/1979-6/1980
 Postdoctoral Fellowship
 Mr. David Thomas, FRCS, MRCP
 Gough-Cooper Department of Neurological Surgery
 University of London
 National Hospitals for Nervous Disease
 London, England

Employment History:

Triangle Neurosurgery, PA2000-Present
 Raleigh, North Carolina
 Founding Partner

Raleigh Neurosurgical Clinic, Inc.1987-2000
 Raleigh, North Carolina
 Managing Partner1996-2000

Duke University Medical Center
 Durham, North Carolina

Assistant Professor of Neurosurgery	1982-1987
Associate Professor of Neurosurgery	1987
Tenured	1987
Assistant Professor of Pathology	1982-1987
Co-Director Brain Tumor Clinic	1982-1987

Certification/ Licensure:

<u>National Board of Medical Examiners</u> License # 159219	1975
<u>American Board of Neurological Surgery</u> Part I Part II	1980 1984
<u>North Carolina Board of Medical Examiners</u> License # 26088	1982 2001

Professional Societies:

<u>Congress of Neurological Surgeons</u>	1982
<u>American Association of Neurological Surgeons</u>	1984
<u>Joint Section on Tumors</u> Founding Member	1984
Membership Chairman	1984-1987
Secretary	1987-1991
Chairman	1991-1993
Executive Committee	1987-2000
Advisory Board	1987-2000
<u>Research Society of Neurological Surgeons</u>	1986
<u>Society of University Neurosurgeons</u>	1986
<u>American Society of Stereotactic and Functional Neurosurgery</u>	1980
Board of Directors	1988-1989
Vice President	1990-1992
President	1992-1995
<u>Duke Children's Hospital and Duke University Medical Center – Brain Tumor Program</u> Board of Advisors	1992
<u>Duke University Heritage Society</u>	2001
<u>Society of British Neurological Surgeons</u>	1980

Professional Societies (Continued)

<u>Radiation Therapy Oncology Group (RTOG)</u>	1996
Chairman of Neurosurgery Section	1996
Chairman, Joint Section on Brain Tumors	1996
Brain Tumor Committee	1996
Co-Chairman	2001
Co-Chairman Surgical Oncology	2001
<u>Royal Society of Medicine</u>	1995-present
<u>Acoustic Neuroma Association</u>	1996
Life Membership	1998
<u>Royster Medical Society</u>	1997-2006
<u>American Cancer Society - North Carolina</u>	
Board of Trustees	1991-1992
<u>NC Medical Society</u>	
Task Force on Professional Liability	2002-present
<u>International Research Group on Paroxysmal Sympathetic Hyperactivity After Acquired Brain Injury</u>	08/2010-Present

Academic Appointments:

<u>Duke University Medical Center</u>	
Assistant Professor of Neurosurgery	1982-1987
Associate Professor of Neurosurgery	1987
Tenured	1987
Assistant Professor of Pathology	1982-1987
Co-Director Brain Tumor Clinic	1982-1987
<u>University of North Carolina Medical Center</u>	
Associate Clinical Professor of Neurosurgery	1993-present
<u>Wake Forest University School of Medicine</u>	
Clinical Affiliate in Radiation Oncology	2000-2003
<u>Duke University Medical Center</u>	
Consulting Associate for Department of Surgery	2009-present

Editorial Appointments:

Cancer Research
Journal of Neuro-Oncology
Neurosurgery

Administrative:

<u>Duke University Medical Center</u> Brain Tumor Research Program Advisory Board	1993-present
<u>North Carolina Industrial Commission</u> Member Liaison Committee	1992-1996
<u>Rex Healthcare - Raleigh, North Carolina</u> Chairman, Section of Neurosurgery Chairman, Department of Surgery Medical Executive Committee	1991-2005 1993-1994 1993-1994

Course Director:

<u>Course Director: A Workshop on Stereotactic And Functional Neurosurgery</u> The Omni Hotel at Charleston Place Charleston, South Carolina	1986, 1987 & 1988
<u>Pain Symposium: Current Concepts in the Treatment of Pain</u> Rex Healthcare, Raleigh, North Carolina	9/97

Invited Presentations /Visiting Professorships:

<u>Third Conference on Brain Tumor Therapy</u> Monterey, California	10/30/79
<u>British Brain Research Association Symposium</u> Institute of Neurology, Queens Square, London	2/16/80
<u>Department of Neurological Surgery</u> Frenchay Hospital, Bristol, England	4/30/80
<u>Department of Neuropathology</u> University of Southampton, Southampton, England	5/21/80
<u>Institute of Psychiatry, Maudsley Hospital</u> London, England	5/28/80
<u>Neurokirurgiska Cliniken, Lund Universitet</u> Lund, Sweden	6/9/80
<u>Gade Institute, University of Bergen</u> Bergen, Norway	6/3/80

Invited Presentations/Visiting Professorships (Continued)

<u>Washington University</u> St. Louis, Missouri	10/05/81
<u>National Cooperative Brain Tumor Study Group</u> Washington, DC	10/82
University of Tennessee Memphis	10/21/83
<u>Fifth Brain Tumor Research and Therapy Conference</u> Monterey, California	10/26/83
<u>Second International Symposium on Brain Tumors</u> London, England	10/25/84
<u>Department of Neurosurgery, Newcastle University</u> Newcastle-Upon-Tyne	10/29/84
<u>Sixth International Conference on Brain Tumor</u> Research and Therapy Asheville, North Carolina	10/21/85
<u>Southern Medical Society</u> Orlando, Florida	11/19/85
<u>Department of Neurosurgery, Emory University</u> Atlanta, Georgia	12/7/85
<u>International Symposium on Monoclonal Antibodies</u> in Nuclear Medicine Freidurg, FRG	5/2/86
<u>St. Mary's Medical Center</u> St. Louis, Missouri	6/25/86
<u>State University of New York</u> Syracuse, New York	10/1/87
<u>Tagung der Arbeitsgruppe Neuro-Onkologie</u> Tubingen, Germany	11/87
<u>Hospital Juarez IV</u> Mexico City, Mexico	12/87
<u>National Institute for Neurology and Neurosurgery</u> Mexico City, Mexico	12/87

Invited Presentations/Visiting Professorships (Continued)

<u>Massachusetts General Hospital</u> Harvard Medical School, Boston, Massachusetts	1/88
<u>Montreal General Hospital, McGill University</u> Montreal, Canada	2/88
<u>The American Association of Neurological Surgeons</u> "Surgery for Epilepsy" Nashville, Tennessee	5/90
"Glioma: Current and Future Therapy" Nashville, Tennessee	5/90
<u>Mid-Atlantic Neurosurgical Society</u> "Neurosurgical Procedures for the Treatment of Cancer Related Pain" Philadelphia, Pennsylvania	4/91
<u>The American Society for Stereotactic & Functional Neurosurgery</u> "Ablative Procedures in Cancer Pain Management" Pittsburgh, Pennsylvania	6/91
<u>Harvard Medical School</u> "Tumors of the Central Nervous System" Boston, Massachusetts	11/92
<u>University of Miami</u> "Surgical Treatment of Brain Tumors" Miami, Florida	1/93
<u>Harvard University</u> "Oligodendrogliomas" Boston, Massachusetts	2/93
<u>Society of University Neurosurgeons</u> Lyon, France	6/15-18/94
<u>Congress of Neurological Surgeons</u> "DREZ for Recurrent Head and Neck Pain" Chicago, Illinois	10/94
<u>Congress of Neurological Surgeons</u> "Update on Techniques in Stereotactic Biopsy" Chicago, Illinois	10/94

Invited Presentations/Visiting Professorships (Continued)

<u>World Society for Stereotactic & Functional Neurosurgery</u>	07/97
"Experience with the Caudalis DREZ In the Treatment of Facial Pain" Lyon, France	
<u>1st European International Symposium on DREZ Operation</u>	11/97
"The Nucleus Caudalis DREZ" Pamplona, Spain	
"Ablative Pain Techniques" San Francisco, California	4/98
<u>Congress of Neurological Surgeons</u>	10/98
"Surgery & Radiosurgery in the Management of Intracranial Metastatic Disease" Seattle, Washington	
<u>Advances in Craniofacial Pain</u>	10/98
"Caudalis DREZ for Facial Pain" Rome, Italy	
<u>50th Anniversary Meeting of Egyptian Neurosurgical Society</u>	3/99
"Surgical Treatment of Facial Pain" Military Medicine Academy Cairo, Egypt	
<u>International Symposium: Cerebellopontine Angle & Posterior Fossa Lesions</u>	5/99
"The Role of Caudalis DREZ in the Treatment of Facial and Head and neck Pain" Raleigh, North Carolina	
<u>International Symposium: Cerebellopontine Angle & Posterior Fossa Lesions</u>	5/99
"Facial Nerve Outcome in Acoustic Tumor Surgery" Raleigh, North Carolina	
<u>Congresso Nazionale Della Neurologie,</u>	5/28/99
"Evolution of Principles of Stereotactic Neurosurgery" Neurochirurgi, E Neuroradiologi, Ospedaleri Rome, Italy	
"Neurosurgical Treatment for Pain" Ospedale San Filippo Neri Rome, Italy	5/28-31/99

Invited Presentations/Visiting Professorships (Continued)

<u>European Society for Stereotactic and Functional Neurosurgery</u>	10/9-12/02
Toulouse, France	
"Surgical Treatment of Primary and Metastatic Brain Tumors" Italian Neuro-Oncology Meeting	10/2-4/03
Ancona, Italy	
<u>North Carolina Spine Society</u>	
"New Technologies in the Surgical Management of Cervical Spine Pathologies" "Management of Multilevel Cervical Disease" Charlotte, North Carolina	10/28/06
"The Role of Stand-Alone Anterior Cervical Surgery"	8/24-25/07
<u>Complex Surgical Techniques for Treating Cervical Spine Pathology</u>	
"When is a Combined Anterior/Posterior Approach Needed?" "Revision or Salvage Techniques for Failed Cervical Arthroplasty" Baltimore, Maryland	6/15-16/07
"Are Multi-Level ACDFPs Associated with Higher Peri-operative Morbidity?" Charlotte, NC	9/5-6/2008
"Minimally Invasive Spine Surgery: Axialif in the Treatment of Lumbar Degenerative Disc Disease"	8/28-29/09

Pinehurst, NC

<u>Association of Presacral Spine Surgeons</u> “Degenerative Disc Disease with Radiculopathy”	10/4/08
“Newer Minimally Invasive Surgical Approaches” for Lumbar Problems Pinehurst, NC	4/18/09
“Are Multilevel Anterior Cervical Discectomies and Fusions, Associated with Higher Peri-Operative Morbidity?” Charlotte, NC	8/27-28/2010

Invited Presentations/Visiting Professorships (Continued)

“Creation of Radiographic Grading Systems for Bone Formation in ACDF Utilizing Cages and Biologics” Denver, Colorado E-poster	11/10
“Reliability and Reproducibility of Standard Methods of Evaluating Cervical Surgery Results” Charlotte, NC	8/17-18/12
“Minimally Invasive Lumbar Fusion Techniques Lab – Spine Select” Raleigh, NC	9/15/12

Current Academic Affiliations:

International Research Group on Paroxysmal Sympathetic Hyperactivity After Acquired Brain Injury	8/20/10
Consulting Associate in the Department of Surgery Duke University Medical Center	7/1/10 - 6/30/11
Consulting Associate in the Department of Surgery Duke University Medical Center	7/1/11 - 6/30/12

Visiting Surgeon:

Hospital Juarez Mexico City, Mexico	1987
University Hospital Colombo, Sri Lanka	1994
Clinica Universitaria University of Navarra Medical School Pamplona, Spain	11/97
Ospedale Felipo Neri Rome, Italy	1998
Rothchild Institute Paris, France	1999-2002
Hospital Universitaire Dupuytren Limoges, France	1999-2002
University of Ancona Ancona, Italy	2003

Awards:

<u>Eagle Scout</u>	1964
<u>Silver and Gold Palms</u>	1965
<u>God and Country Award</u>	1965
<u>University of Southern California</u>	
Summer Honors Program	1967
Resident Honors Program	1967-1968
University Scholar	1967-1969
Nettie Hill Scholar	1970-1971
Sigma Phi Epsilon Scholarship Award	1970-1971
Major: BA Psychology, Cum Laude	1971
<u>St. Louis University</u>	
Alpha Omega Alpha	1975
Cum Laude	
Thurston Scholar	1974-1975
Robert Wood Johnson Scholarship	1975
MD, Cum Laude	1975
<u>Duke University Medical Center</u>	
Individual Research Training Award	1979
<u>Duke Comprehensive Cancer Center</u>	
National Research Service Award	1980
NCI Grant 1 32 CA 06680-01	
"Neuropathological Investigation of Human Glioma Patients"	
<u>The Southern Neurosurgical Society</u>	
Resident's Award	1980
Outstanding Young Men of America Award	1981
<u>Admiral Chambliss Memorial Award</u>	1981
Navy League of the United States	
<u>Academic Council Duke University</u>	1985
C. and F. Demuth Foundation International Award	1982
for Young Investigators in Neuroscience,	
Given by Swiss Medical Research Society	
<u>NINCDS Teachers Investigators Development Award</u>	1983-1988
(Localization of Monoclonal Antibodies in	
Human Gliomas #1 K07NS00800-01)	

Awards (Continued)

<u>NINCDS Program Project on Malignant Human Gliomas and Medulloblastomas</u> (Subproject: Optimal delivery of Monoclonal Intracranial Human Gliomas and Medulloblastomas in Immunosuppressed Rats P01-NS20023)	1984-1989
<u>American Cancer Society Institutional Award</u> (Determination of Optimal Route of Administration of Monoclonal Antibody for Human Glioma Growing Intracranially in Immunosuppressed Rats)	1983-1984
<u>VA Merit Review Board Award</u> (Phase I Imaging and Therapeutic Trials with Anti-glioma Monoclonal Antibodies)	1986-1990
<u>Best Doctors in America</u>	1997-1998 2001-2002 2002-2003 2003-2004 2005-2006 2007-2008
<u>Business North Carolina</u> Best Doctors in the North Carolina	2002-2003 2004-2005 2006-2007 2007-2008
<u>Patients' Choice Award</u>	2009
<u>AANS 2010</u> First Place Award "Correlation Between Surgical Morbidity and Number of Levels Anteriorly Fused"	4/10

Consultant: Acknowledgement

Sofamor-Danek Spine Consultant	2002-2004
DePuy Spine	2007
Kyphon – Speakers Bureau	2007
Sea-Tek Product Development	2007
Trans1	2008-present
Alphatec	2010-present
Orthofix	2010-present
Spine Select	2011-present
Life Spine Consultant	2012-present
